BARRACHNIE EAST END NOW OPEN

We are hitting every corner of the city this Autumn with the biggest and best La Vita to date. Barrachnie will be welcoming next level Italian dining, incorporating our favourite aspects of each restaurant in to one. The East End will be home to this new venture where we will be more than just a restaurant.

You can expect a contemporary bar area with quirky neon art features, where you can enjoy our exclusive cocktails. We will also have a separate takeaway area for quick and easy collection and delivery to appreciate your favourite La Vita dishes at home.

Our homemade Italian bakery items have always been loved by our customers. Our new bakery will allow for many more items to be added to the display cabinet and you can also purchase these from our bakery counter. Whole cakes will also be available for preorder with our increased space and equipment. We are excited to introduce new products such as fresh artisan breads and homemade ice cream to go along with our array of cakes, cheesecakes, tarts, and more.

We cannot wait to see you all in our new venue.
